

(This is a new route than in past years. Owners above Allan Rd, I wouldn't expect us until around 1:30'ish.)

2025 Halloween Hayride Route

- We will start at the boat landing.
- We will trick or treat on the way down Allan Rd to the dead-end. (This is also different than in the past.)
- Once at the end of Allan Rd we will load up and head back to the park and allow anyone to use the Porta Potty in the park. Then we will continue along Allan Rd until at Hwy U.
- We will then load up again and head up Tesser Trail to Giese Ln, Prairie Knoll Circle, Trillium Ct and end at the bottom of Tesser Trail.

The route usually takes approximately 2 hours.
